14<sup>th</sup> May, 2018

Subject: **Honorary membership of Advisory Board of Amila Group.**

Dear Shri Agnihotri Ji,

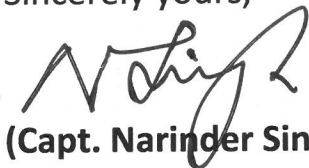

I am deeply impressed by your offer letter of 13<sup>th</sup> May, 2018, to become Honorary Member of your Advisory Board of Amila Hills.

Your beautifully printed 'Coffee Book' allured me to keenly go through all the pages which is very magnificent in all respects and talks volumes of your vision and in-depth study of the project. It carries exhaustive details from all dimensions. Unimaginable. Picturesque aroma of Amila Hills, its fascinating ambience, view of sun and moon at different times from the hill top with peaceful serenity makes one fully comfortable and composed even without meditation. A heavenly abode from the maddening city crowd where pollution is excessive. I have widely travelled around the world and have headed Punjab Government Tourism department as well as Director Cultural Affairs, Archaeology and Museum. Has attended many seminars and meetings at State and National level, but could not find a hill resort like Amila Hills.

With these views, I express my heartfelt greetings and felicitations to you for initiating a wonderful project within the precincts of Queen of Hills (Shimla). Kindly acknowledge my acceptance to be honorary member of your Advisory Board.

With profound greetings,

Sincerely yours,

(Capt. Narinder Singh)
